September 3, 2019

Hilly Haven's Annual Oktoberfest Golf Outing is Saturday, October 5th, and is a favorite among members and friends. It is our opportunity to show our appreciation and gratitude to the golfers that have made it a great golf season!

We have an opportunity for Oktoberfest golfers to support and donate towards our Junior Golf Program. Our Junior program grew this past year due to reformatting the Junior Clinics and Leagues into a new Junior Golf Academy. It was a very successful program and many Juniors learned how to take their golf game to the next level with fun stations and professional instruction. Our Junior Program also includes a Junior Tournament, Junior/Adult Tournament, Caddy Land, and Take your Daughter to the Course Week.

The support received at Oktoberfest will help fund our 2020 Junior Programs. We would greatly appreciate any raffle items or monetary contribution to be mailed or dropped off by Tuesday, October 1st. If you have any questions, please contact Andrew Welnetz at 920-336-6204/andrew@hillyhaven.com. Thank you for your consideration and support!

Sincerely,

Your Friends at Hilly Haven Golf Course
